APPENDIX III.

[Vide answer to starred question No. 149 asked by Sri K. Sattanatha Karayalar at the meeting of the Legislative Assembly held on 24th April 1959, page 338 supra.]

(*a*) and (*b*). The particulars of irrigation schemes under investigation in Kanyakumari district and in Shencottah taluk of Tirunelveli district and the present stage of the schemes are furnished below:—

I. Irrigation Schemes in Kanyakumari district—

(1) *Poigai Scheme.*—A preliminary investigation already conducted has revealed that a reservoir across the Poigai river will be uneconomical. Hence, an alternative scheme for diversion of the Chungan Odai into the Poigai through Erappayar

[24th April 1959

was examined. An estimate for Rs. 1·42 lakhs has been received from the Chief Engineer for Irrigation. The Board's remarks on the revenue aspects are awaited.

(2) *Ponni Voikal Lift Irrigation Seheme.*—The scheme is estimated to cost Rs. 5,82,000. Plans and estimates for the scheme have been prepared and they are under scrutiny by local Public Works Department officers.

(3) *Thirunainar Lift Irrigation Scheme.*—The Lift Irrigation Scheme was dropped after investigation as the ayacut is to be served by Muttom channel extension.

(4) *Periakulam Lift Irrigation Scheme.*—The scheme was dropped after investigation, as the ayacut is to be served by the extension of ayacut under Cheramangalam major channel.

(5) *Mambazhathurai Scheme.*—The scheme is under investigation,

(6) *Nilapparai Scheme.*—The scheme has been included under extension of ayacut under

(7) *Chittar Pattanamkal Scheme.*—The scheme comprises (i) chittar Dam No. I, (ii) Chittar Dam No. II, (iii) Thipparappu Regulator, (iv) Raising of F.R.L. of Pachiparai Dam. This scheme is under investigation and plans and estimates are also under preparation.

(8) *Extension of Athikadi channel under Kodayar Project.*—Estimate Rs. 1,79,000. Area benefited 806 acres. Certain particulars called for from the Collector are awaited by the Chief Engineer for Irrigation. On receipt, necessary action will be taken to sanction the scheme.

(9) *Extension of ayacut under Kottayadi channel.*—Estimate Rs. 2,60,000. Area benefited 474 acres (new). The estimate has been received and the Board's report on revenue financial and Grow More Food aspects are awaited.

(10) *Remodelling and extension of ayacut under Thickanancode and Chennamvilai branches.*—Estimate Rs. 1,30,000. The estimate has been scrutinized by the Chief Engineer for Irrigation and is being recast by the Superintending Engineer.

(11) *Extension of ayacut under Muttom channel.*—Estimate Rs. 94,000. The estimate is under examination by the Chief Engineer for Irrigation.

(12) *Improvements to Chempakulam and Champakulam channel.*—Estimate Rs. 2,80,000. The estimate is under scrutiny by the Chief Engineer for Irrigation.

[24th April 1959]

(13) *Theroorkulam tank—Desilting and reclamation.*—Estimate Rs. 80,500. The estimate has been received from the Chief Engineer for Irrigation. The Boards report on revenue, financial and Grow More Food aspects of the scheme are awaited.

(14) *Puliyoorkulam tank—Desilting and reclamation.*—Estimate Rs. 26,000. The estimate is under revision by the Superintending Engineer.

(15) *Neyyar II Stage.*—The Government approved in January 1958 the proposal of the Chief Engineer for Irrigation that the second stage of the project that lies in Madras State might be taken up for execution, pending (*a*) the receipt of the detailed report on the revenue, administrative, financial and Grow More Food aspects of the scheme from the Board of Revenue and (*b*) a decision on the question of allocation of cost of the main works, sharing of waters, framing of rules of regulation, etc., that might be discussed with the Engineers of the Kerala State. An estimate for Rs. 41 lakhs for the work taken exclusively in this State has been received from the Chief Engineer for Irrigation and it is under consideration.

(16) *Vilathurai Lift Irrigation.*—The Chief Engineer for Irrigation has submitted an estimate for Rs. 7,53,000 for the approvel of the Government. As this is a combined water, supply *cum*-irrigation scheme, the remarks of the Chief Engineer, Public Works Department (General) and the Board of Revenue (Food Production) on the revenue aspects have been called for and they are awaited.

II. Schemes in Shencottah taluk—

(1) *Mottai Reservoir Scheme.*—Estimate, Rs. 1,65,000. The Chief Engineer for Irrigation has submitted plans and estimates for approval and the matter is under consideration. The report of the Board of Revenue on revenue, financial and Grow More Food aspects of the scheme are awaited.

(2) *Formation of a tank across Gundar.*—Estimate, Rs. 4,85,000. The estimate is nnder scrutiny by the Chief Engineer for Irrigation.

(3) *Formation of a tank near Puliyarai village.*—Estimate, Rs. 5·71 lakhs. The estimate is under scrutiny by the Chief Engineer for Irrigation.
